1. Entry fee

At the end of April we were advised that the IGC (at the recent IGC Plenum) has set new sanctioning fees for 2023. This decision follows on from previous advice provided on 16th January 2023:

“Last year the IGC plenary decided to raise the sanction fee for 2022 and approved that the Bureau would make a proposal for the coming years to make the financial situation of the IGC solid again. Coming Plenum in Copenhagen the IGC Bureau will propose a further increase of the pilot sanction fees in 2023 and beyond. As pilot sanction fees are independent from the organizer, the organizer is allowed to raise the entry fee accordingly with the increased pilot sanction fee”.

Previous IGC Sanction fees	Increased IGC Sanction fees
1 500,00 € - Flat fee	1 500,00 CHF - Flat fee
75,00 € - Pilot fee	130,00 CHF - Pilot fee

Pilot fee difference: 55,00 € / CHF
Exchange rate 1 CHF = 1,03 €

The increase in costs to the organizers are therefore **55 €/CHF** per pilot. Given the overall cost pressures on the competition organizers and due to difficult economic situation (eg. high inflation), we are passing these additional costs on to competitors as a separate additional fee to be paid by **28th July 2023**. Payment can be made via bank transfer (details below) or paid by card in the Contest Office located at Leszno Airfield in Hangar H1 (please note that payment by card will be charged in PLN currency at the current exchange rate).
